

Custom solutions developed  
by **people who know  
your business.**

Construction Insurance Management Inc. (CIMI), is a wholly owned independent insurance brokerage representing major insurers operating in Canada. Founded by construction industry professionals, we leverage our industry experience, insight, and networks of industry connections and resources to develop custom insurance, financial security and risk management packages specifically for businesses in the building industry.

Our **NEW** site  
is **NOW LIVE!**

## WE'VE DEALT with it

As a full service insurance brokerage that specializes in the distinct needs of businesses in the building industry, CIMI provides customized insurance programs from the perspective of professionals who know where you are, what you worry about, and where you want to take your business.

## WE MONITOR and maintain it

Because of our exceptional relationships with our insurers, and our constant connection developments in the building industry we don't just customize your program – we monitor and maintain it.

## EXPERIENCED AND ready to assist

Our partnerships with a wide range of leading insurance companies means our team is experienced and ready to assist with all your insurance and bonding needs.

General & Commercial Insurance • Surety/Bonding • Specialty Services
